Who is eligible ?

To qualify for services from MCM Loving Healthcare, a patient must:

- Be essentially homebound. The patient need not be bedridden and must require assistance to leave home.
- Needs intermittent care. The agency cannot provide full-time care, but can arrange for the care of training, of family members or other caregivers.
- Required skilled medical care by a health care professional

Home Health Care must be prescribed by a physician. For more information or to arrange for home health care services Please call:
Tel. (630) 548-9200

Skilled Nursing will be available 7 days week. We can arrange medical equipment (wheelchairs, walkers, canes, hospital beds, etc.) and prescribed medication delivered for free. Laboratory and diagnostic services such as portable digital X Ray, ultrasound and EKG services can be arranged as well. Medical Doctor, Dietitians and Podiatrists are also available to do house calls per request.

MCM LOVING HEALTHCARE, INC.

Home health services coverage

Medicare and Medicaid cover Home Health Services, commercial insurance varies depending on scope of coverage. The home health team can assist the patient to find out which coverage is applicable.
